

February Meeting News

A lot was accomplished at the latest OSBA meeting, which was held on Saturday, February 9th in Grove City. Changes were made for the Red, White, & Buckskin Circuit, which will be held July 3rd-6th: an All-Age NSBA Color Western Pleasure class and also an All-Age NSBA Color Hunter Under Saddle class will be held on Saturday and Sunday. While this class will not have a circuit award, it will surely draw in both Palomino horses as well as Buckskin horses. Changes were also made for the 2008 OSBA Futurity, which will be held September 6th-7th. Yearling Longe Line Futurity is now NSBA-approved, and there will also be separate Two Year-Old and Three Year-Old Western Pleasure Futurity classes that are each NSBA-approved. The Four & Five Year Old Western Pleasure Futurity class will remain combined as it has been in the past, and will not be NSBA-approved. The Hunter Under Saddle Futurity will also remain as it has been in the past – ages Five & Under, and is not NSBA-approved. If you do not have your NSBA membership, please visit www.nsba.com for more information.

The next OSBA meeting will be held on March 8th at the Donatos in Grove City on Stringtown Road. The directors' meeting will be at 5:00, and the general membership will meet at 5:30.
