

COME JOIN THE FUN AND BE A PART OF A FAST-GROWING FAMILY!

The Ohio State Buckskin Association, chartered by the International Buckskin Horse Association in 1986, is dedicated to the preservation and promotion of registered Buckskin, Dun, Red Dun, and Grulla horses in Ohio and the surrounding Midwest. With an outstanding Youth program, a dynamic Amateur program, and many of the most competitive open performance horses and exhibitors in the country, we welcome your interest in our activities. We are deeply committed to serving the interests of buckskin owners both in and out of the show arena, the breeding shed, and also in the "backyard".

Becoming an OSBA member offers many opportunities to enjoy and promote Buckskins, which include:

- ◆ One of the best **Year-End Award programs** in any IBHA charter, offering awards in Youth, Amateur, and Open
- ◆ A **Trail Riding program** for those who would rather enjoy their buckskins at home & on the trail
- ◆ The **OSBA Season Opener Show**, a kickoff to the Ohio Buckskin Circuit and earning year-end awards
- ◆ The highlight of the show season, the **Red, White, & Buckskin Circuit** held over the Fourth of July weekend, with fun-filled family activities and lots of good food!
- ◆ Youth Team participation at the **Dunarama World Show**, held in Memphis, Tennessee. This is a chance for youth from across the country to compete in the arena as well as in the barn for a stall decorating contest
- ◆ The **OSBA Futurity** show – an opportunity to show off up-and-coming young horses
- ◆ **Miss OSBA** and Miss Buckskin World competition for young ladies ages 17-24
- ◆ Youth **Scholarships** awarded through IBHA
- ◆ The OSBA website – **www.ohiobuckskins.org** – a great source of all OSBA information!

The officers and members of the Ohio State Buckskin Association encourage all who share our love of the beautiful and durable Buckskin horse, and also are looking for fun, fellowship, and competition with friendly, family-oriented horse lovers, to join us as we grow in strength and quality.
