

COME JOIN THE FUN!!!!

**OHIO STATE BUCKSKIN ASSOCIATION
2008 TRAIL RIDING PROGRAM**

Ideal for the Buckskin Horse Enthusiast who enjoys the open spaces of the trails and woods, OSBA offers an alternative to the show ring, a way to earn points towards great year end awards with your IBHA registered horse. Check out the information below and get ready to hit the trails!

Trail Riding Program ** Year-End Awards Point Rules:**

1. Nominated Horses must be registered with IBHA.
2. Riders must be members of The Ohio State Buckskin Association.
3. Each horse/rider combination must be nominated using the OSBA Open Division nomination form; nomination fee is \$10 per horse/rider combination.
4. The system of year-end awards for the trail riding program is based upon the number of HOURS logged and recorded with the OSBA Point Secretary. "Hours logged" may include any riding time that is **not done** as part of a formal training program **in a training pen, or in a show arena**. The purpose of the trail-riding program is to encourage and reward casual, non-show-oriented pleasure riding, and may include competitive trail riding. Due to the nature of this program the logging of hours for year-end awards is strictly based on an honor system for each individual rider.
5. Trail riding nominees should use the official OSBA forms to submit their hours-logged records to the OSBA Point Secretary.
6. Point standings in this program will be posted, along with point reports of all OSBA events and categories, at each OSBA show.
7. Trail riding hours may be logged and submitted through Oct 31 for the 2008 Year-end awards Program.
8. Year-end awards will be given to **first through sixth place**, based on total number hours logged per horse/rider combination, as **postmarked by the deadline of Oct. 31, 2008**.

All questions, nomination forms, and fees pertaining to the OSBA Trail Riding Program must be submitted to the OSBA Point Secretary: Chris Coudret, 6039 Neil E Rd, London, OH, 43140, 740-837-0217 drcoudret@rroho.com
